Evaluation of Exams:	Each Exam will be evaluated and awarded separately.
Evaluation of Teams:	Teams consist of three mixed members. In category S/M, the course will be set at size S; in category I/L, the course will be set at size I. The best three teams in S/M and the best three teams in I/L will be awarded. Team runs consist of three courses, starting from each corner. For each DIS, the team receives 100 penalty points; the disqualified member must leave the course as soon as possible, but must first cross the finish obstacle. The next team member then starts. The total time of the entire team is included in the result, and the final ranking is determined according to ASKA rules.

Evaluation of Jumping Finals: 20% of the best-placed teams from each open run, as well as the winners of the Exams, qualify for the final. If a team is already qualified, the spot does not pass to the next team. The first three places in each size category will be awarded.

Opened Championships: Based on the standard combined score of the Saturday Open Jumping and Open Agility runs. The titles of Champion, Vice-Champion, and Second Vice-Champion shall be awarded exclusively to dogs of the Australian Kelpie breed, evaluated separately within each height category.

Conditions of participation: The competition is open to all teams with a valid performance record book.

Veterinary conditions: Valid vaccinations recorded in the vaccination booklet or Pet Passport are required.
